

Brianna Brand

Graphic Designer

EXPERIENCE

Plan It R.O.I, Location — Marketing intern June 2023 - August 2023

Plan It R.O.I is a company that takes electronics refurbished then sells them at a more affordable price. The job was to understand the inner workings of marketing while doing graphic design and editing.

Plan It R.O.I, Location — Quality Control June 2022 - August 2022/December 2022- January 2023

Plan It R.O.I is a company that takes electronics refurbished then sells them at a more affordable price. The job was to check units to make sure they ran smoothly before being packaged. There was also checking some packages before they got shipped out to customers.

Cinopolis, Location — Concessions August 2019 - January 2020

Cinopolis is a movie theater, the job assisting customers with their tickets out front or providing their snack orders in the kitchen. One has to work with others and adapt fast to help with other tasks. There is also cleaning work spaces effectively to add.

Graphic Arts, Location — Student September 2016 - June 2020

Warren County Technical Schools Graphic Arts program taught how to screen print and learn the production quality process. Students learned how to operate machinery to know various different things for the workforce.

EDUCATION

Montserrat College of Art, 23 Essex St, Beverly, MA 01915
BFA Graphic Design Degree

SKILLS

Adobe illustrator, indesign, photoshop, premiere pro, animate, windows, and Google

PROJECTS

Silent Fury — Sophomore studio

This was an art project with 2D,3D, and 4D elements. This piece is filmed and is focused on expressing the emotion of anger and is muted to show inner struggle.

Amplifying Voices — Logo

This was a logo I made for the school for a film event.

Emotion Capsules— Graphic Design Exhibition

Created a gallery show case of work along with other designers
